Teacher's Day Winner's Wall

शिक्षक की महिमा महान होती हैं,
शिक्षक बिन अधूरी बसुन्धरा रहती हैं।।

काल की गति को शिक्षक मोड़ सकता हैं,
शिक्षक धरा से अम्बर को जोड़ सकता हैं।।

माँ-बाप से भी ऊँचा शिक्षको का सम्मान होता हैं,
शिष्य के लिए शिक्षक वरदान होता हैं।।

जीवन क्या हैं हमें शिक्षक समझाते हैं,
वही तो हमारे सच्चे गुरु कहलाते हैं।।

बिन शिक्षक सूना जीवन हैं,
शिक्षित जीवन सदा नव-जीवन हैं।।

सिर्फ किताबी ज्ञान ही नहीं शिक्षक जीना सिखाते हैं,
बंद हो जाते हैं जब सारे दरवाजे वही नया रास्ता दिखाते हैं।।

हमने जो भी सीखा अपने गुरुओं से ही सीखा हैं,
ज्ञान गुरु का अन्धकार में जैसे सूर्य सरीखा हैं।।

शिक्षक क्या होते हैं सबको आज बताने आयी हूँ,
मैं सारे शिक्षकगणों का आभार जताने आयी हूँ।।

~ स्नेहा राय

माना जन्म माँ बाप से मिलता है मगर,
बिना गुरु के जीवन खुशहाल बना नहीं करते !

ना हो सीरत तो उस सूरत का क्या मतलब,
बिन चिंगारी के मशालें जला नहीं करते !

सिखाने सबक ज़िन्दगी में आते है लाखों मगर,
गुरु तो वो बाती है जिसके बिन दीपक जला नहीं करते !

चाहे कर लो कोशिशे हज़ार मगर,
बिन उस इंसान के कोई इंसान कुछ बना नहीं करते !

सपने बेहिसाब देखते है हम सभी यहाँ,
मगर उस सपने को बिना उनके हकीकत बना नहीं सकते !

बनके नादान अक्सर भूल जाते थे सब राह अपनी,
बिना उनके प्यार और डांट के ये ज़िन्दगी अपनी हम सजा नहीं सकते !

सिखाने सबक ज़िन्दगी में आते है लाखों मगर,
गुरु तो वो बाती है जिसके बिन दीपक जला नहीं करते !

~क्षत्रिय

रोज सुबह मिलते है इनसे,
क्या हमको करना है ये बतलाते है ।
ले के तस्वीरें इन्सानों की,
सही गलत का भेद हमें ये बतलाते है ।
कभी डांट तो कभी प्यार से,
कितना कुछ हमको ये समझाते है ।
है भविष्य देश का जिन में,
उनका सबका भविष्य ये बनाते है ।
है रंग कई इस जीवन में,
रंगों की दुनिया से पहचान, ये करवाते है ।
खो ना जाये भीड़ में कहीं हम,
हम को हम से ही ये मिलवाते है ।
हार हार के फिर लड़ना ही जीत है सच्ची,
ऐसा एहसास ये हमको करवाते है ।
कोशिश करते रहना हर पल,
जीवन का अर्थ हमें ये बतलाते है ।
देते है नेक मंज़िल भी हमें,
राह भी बेहतर हमे ये दिखलाते है ।
देते है ज्ञान जीवन का,
काम यही सब है इनका,
ये शिक्षक कहलाते है, ये शिक्षक कहलाते है ॥

Happy Teachers Day 🙏

~Samir Singh

प्रणाम 🙏 सर,

माना जन्म मिला माँ बाप से अपनी,
पर हर फ़र्ज़ आपने बखूबी निभाया हैं!

हूँ आँख का तारा माँ बाप का अपने,
पर आपने ही परकाश से चमकाया हैं ।

कुछ करने कुछ बनने की माना वो जिद थी अपनी,
पर सब कुछ कर जाने का विश्वास आपसे पाया हैं ।

लेकर आँखों में कुछ सपने चल पड़ा था राह अपने,
माना मंजिल मेरे थे पर रास्ता आपने बनाया हैं,

बनके नादान अक्सर भूल जाते थे सब राह अपनी,
कभी प्यार से कभी डांट के ये ज़िन्दगी आपने सजाया हैं,

ना पूछिए यहाँ क्या हैं एहसान आपका,
कौन हैं यहाँ ऐसा जो बिन आपके कुछ बन पाया हैं,!

धन्यवाद सर

SHORT STORY

Then I was in class 11 and the day was 15th august. I was anchoring the cultural program. Being the anchor I had to stay till the end as I was the one to conclude the program. At last, as expected there were hardly anybody left to hear my "thank you". It was definitely not their fault as the sun forced them to leave the ground ASAP. After the program was over I went to the class to get changed. Then I moved to the canteen to collect my tiffin packet. As I reached there I saw my teacher (my english ma'am who is the vice principal of our school and was in charge of conducting all cultural programs) shouting at the keeper and then came to know that someone else had taken my packet. The first thing that came to my mind was to curse that uncle but then I saw he was already crying and begging forgiveness from ma'am. So I cooled down and said, "it's okay ma'am, I'm not so hungry." (She, looking at me with red eyes, asked)

"did I ask you?"

"No ma'am."

"How will you go home ?", this one was asked kindly.

"Ma'am by walking."

"Go get into my car."

Now this I didn't expect and stood there thinking whether I heard her right. She again,

"what happened? Don't just stand there. Go my driver's already there. Go.

I went near the car but couldn't dare to open the door. She came and did it for me. I was sitting inside an innova crystal with my favorite but the strictest teacher of the school sitting beside me. She broke the silence by saying,

"Well done, proud of you "

"thank you ma'am"

I was scared, happy, nervous and most importantly hungry. I didn't know where we were going. Then the car stopped and she asked me to get down. I saw we were standing near KFC. I again couldn't understand anything and followed her like A loyal dog. We went inside and she asked me to order something according to my wish. I was dumb as it was the first time I went to "KFC" and I didn't know anything about the dishes. I couldn't understand what to order. She probably guessed that and ordered herself. We ate together and it was A lovely experience. Then she asked, "Do you want to celebrate independence day with me?"

"Yes ma'am." I replied without thinking.

"Do you have to reach home early?"

"No ma'am, nothing like that."

"Wait let me ask your mother."

I forgot that she had mom's number. They talked for A while and then again asked me to get into the car. Now this time I definitely had no clue of what was going on. The car drove through many places and finally stopped at A huge building. The sign board there said that it was an orphanage. As soon as we reached there, about 20 kids came running and circled themselves around ma'am. And first time I saw her laughing like A baby. She hugged them all and went to the boot of the car and asked for help. I and 'driver bhैया' joined her. The whole boot was full of chocolates and gifts. We distributed them to all the children and their smile and happiness told me that that was the best thing I've ever done in my life. I suddenly felt that I was the luckiest person in the world to be able to be A part of their celebration of joy. We played A lot. And gossiped even more. Ma'am narrated her awesome stories of life time experiences.

The children were of different sizes—some were so little that they could hardly speak clearly and some were so tall and grown up that they were sharing their future plans of settlement. I was in another world. The world which has no regrets, no complaints, no worries, free from corruption, free from pollution, free from manipulation. I completely lost the track of time when ma'am called me to get into the car. When I reached home it was 7 pm. I was warmly welcomed by my mother with A cane stick as I missed my 2 important tuitions. But whatever, that scolding, beating was nothing in comparison to the happy moments I shared with my teacher -“my most favorite teacher“

~Rtr. Shruti Singh

Teachers are an integral and a vital part of every student's life. They are like our second parents. Throughout the educational career of any student, each student has got certain memories with their teachers may it be happy, sad or A funny one thinking of which we get nostalgic and happy. Here I'm gonna express one of my memory with one of my junior high school teacher that has changed my life to the greatest extent till now. Most people know me as A guy who talks A lot and does great plays and various on stages performances. However, between the ages of 7 and 14, I developed A crippling stutter that had me struggling to even hold A simple conversation. I was A smart kid and always had A lot to say, but I just couldn't say it. I never thought I'd be able to sit and talk to someone. I rarely had friends and my classmates used to bullied me because of my problem to stutter.

For me, it was one junior high teacher in particular that helped me overcome my fear of speaking by encouraging me to try out for the school play. At first, I resisted the idea, but the teacher wouldn't give up on me and coaxed me to take acting lessons and experiment with different accents and character voices to help express myself. And it was because of her, I started doing numerous plays and on stages performances and slowly, slowly my crippling stuttering disappeared like A vanish. And now I am able to express myself to everyone without any hesitation and had made numerous friends and colleagues. Above all I was eluded out of any bullies from there onwards. In the end, those efforts made by her to me paid off immensely. This is one of the memory that I would cherish throughout my life and will always be thankful to her.

Ms R Paul ma'am, a very strict person, everyone in the class was frightened to even ask a doubt from her wherein I used to take out time after class to just chat. My interest in the subject increased as she started teaching. Then a year passed and we were promoted to high school and our teachers changed and I always used to long to meet her but that didn't happen. On children's day it was a tradition in our school that the teachers would set up performances for the students. Everyone was a crazy fan of her acting. While going to assembly everyone, especially me, was waiting to see her and her performance. The show started with some music and dance performance was stopped in between when the principal came in and announced that Ms R Paul ma'am cannot come to school as she had a bike accident.

Her husband had a major leg injury, her 1 year old daughter is safe but she herself has left all of us. All our heart stopped for a second and to accept this fact was very difficult for all of us. I so wished that I should have gone to her to meet at least for once. She'll always be my favorite teacher.

“On this auspicious day of teacher’s day and on every day of my life. I hope she is happy wherever she is.”

Since childhood I had a great love towards birds. I remember the days during my summer holidays when I used to wander with my cousins in the nearby forest watching birds their nests and collecting feathers of various types of birds. I own the collection even now and whenever I used to feel low, looking at my collection always made me happy..... I am glad that @rc_mckvie gave me an opportunity to participate in the "Challenge of the Month- September" and helped me to do my part to save birds.
