INTER-OFFICE MEMO

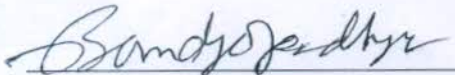

To

All HODs, Faculty Members & TSS

Dear All,

This is to inform all concerned that **Professor Eric William MacDonald, Youngstown State University, USA** will deliver a Key Note Address at the campus on “**3D Printing of Multi-Functional Structures**” on 17th March, 2017 at 2.30 P.M. in Room No.B-312.

All HODs, faculty members & TSS present in the campus on that day are requested to actively participate in the lecture session and make the event successful.

Director
