

Report on International Seminar held on 17th January, 2020 organized by Department of Computer Science & Engineering, MCKV Institute of Engineering, Liluah - Howrah

The inauguration program started at 10.15 am with Lighting of Lamp and Ganesh Vandana where our Managing Trustee Sir Shri Kishan Kumar Kejriwal, Principal Sir Prof. (Dr.) Buddhadeb Chattopadhyay, Prof. Dariusz Plewczynski was the Chief Guest and Invited Speaker, Prof. Parthasarathi Chakraborty, CEO MCKV Group, Deans, HODs, Teachers and students of our Institute and external participants were present to inaugurate the International Seminar.

As our Founder Chairman Sh. Shyam Sundar Kejriwal left for heavenly abode on 30th December, 2019 one minute mourn was followed to pay respect and pray to Almighty God so that the departed soul may rest in peace.

After tea break, Prof. Dariusz Plewczynski, PhD and a Professor at University of Warsaw in Center of New Technologies CeNT, Warsaw, Poland, started his speech on **“Human Genome in Three Dimensions: our present understanding of the spatial complexity of DNA”** at 11:15 am and he continued his lecture till 1:30 PM. Prof. Plewczynski is the head of Laboratory of Functional and Structural Genomics and the principal investigator at Mathematics and Information Science Department at Warsaw University of Technology. It was followed by the question and answer session by the participants and it continued till 1.45 pm, followed by Lunch break.

He is presently involved in several Big Data projects at three Institutes: Centre of New Technologies at University of Warsaw (his main affiliation), Jackson Laboratory and for this Seminar he mainly focused on introductory concepts of 3D-Genomics in the field of research.

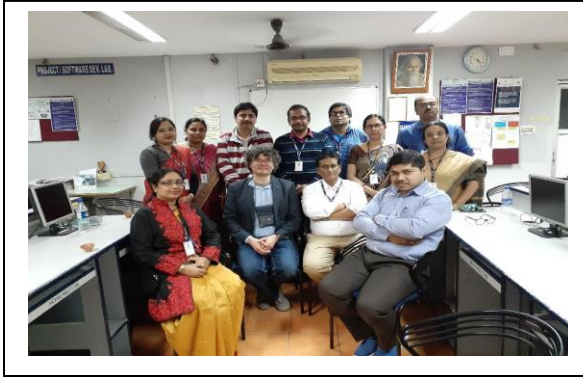

Faculties of different Engineering Colleges, Degree Colleges, Polytechnic Colleges and students from different Engineering Institution attended the program to make the program a huge success.

A large number of faculty members and staff members of this institution also attended the program. Around 125 students of CSE Department have attended the program enthusiastically and Certificates were distributed to external participants. Vote of thanks was given by Prof. Avijit Bose, Assistant Professor of CSE Department.

In the afternoon session visit to Central facilities like AUE Lab, Swami Vivekananda Centre for positive thinking and Interaction with faculties' members of the CSE Department takes place at CSE Project Lab for Research collaborations in near future.

Prof. Dariusz Plewczynski left our Institute premises at 4.30 pm and went to Belurmath and Dakhineswar Temple where our Faculty members Mrs. Rachita Ghosh Hajra and Mr. Abhisek Saha accompany him and drop Prof. Dariusz Plewczynski to the Airport City Hotel.

The entire event takes place smoothly with guidance and support from our MT Sir, Principal Sir, CEO Sir and lot of support and cooperation from all members of CSE Department, Accounts, Purchase, administration and Technical sponsored by IEEE Young Professional Affinity Group, Kolkata Section. We like to thanks our sponsors for financial support from Ms. Webskitters Pvt. Ltd, Kolkata and Ms. Ardent Computek Pvt Ltd, Kolkata.
