Like every other year, our MCKV Institute of Engineering, wished to welcome the freshers 2020 by organizing an Orientation Programme at the college premises. Unfortunately, due to the current unprecedented pandemic situation, instead of college premises, Orientation Programme of this year will be conducted online using **Zoom platform** on **22nd of November 2020 starting at 10:00 AM**. On the very next day (**23rd of November 2020**), one programme will be organized to get students introduced to the Deans and Head of the Departments at 2:00 PM through Zoom platform.

Students are advised to attend the programmes which will be beneficial for them to know their own Institute. It is therefore imperative that students must install Zoom application from Google Play Store (if not done yet) on their mobile/laptop for attending the programme.
