Sub: Appointment of program chair of IICB 1 of DeitY, Govt. of India project '**India IETF Capacity building program (IICB)**'.

Dear Sir

This is to kindly inform that as chief investigator of above mentioned project I am glad to offer you the role of program chair for IICB 1. IICB 1 will include a seminar on certain key technology areas relevant to IETF for which there will be a few awareness events before the actual seminar.

Based on the earlier relationship with MCKV and yourself I am pretty confident that IICB 1 will be a grand success.

Looking forward to your positive approval on accepting the role.

With Regards

Anand Raje  
Chief Investigator  
IICB Project
